ART OF DUPLICITY COCKTAILS

We are The Art of Duplicity and that means things often aren't what they seem. That makes understanding our menu tricky to say the least. But this is the 21st century, and while we like to discombobulate, we also deeply believe in hospitality.

So we inserted a set of cheat codes.

When choosing a cocktail look at the basic sensory descriptions. Because this is how we think here at The Art of Duplicity. Sweet; Bitter; Acid; Sour; Salty and Umami (that sense of moreish-ness our savourishness)
